

# WORLD CHAMPIONSHIP 2011

GP di PORTOGALLO

In the race of Moto2 the result is never granted and the twists are not even missed at Estoril GP. Michele Pirro kept especially to this race that saw him among the leaders on the eve. Unfortunately, the GP of Portugal has been compromised after only three curves because of a slip. Despite the fall, the pride and the desire to bring the Moriwaki Team Gresini at the finish have prevailed on the pain of his little finger of the right hand remained under the bike.

**Michele Pirro:** "I'm sorry for the wasted opportunity. It was a good weekend until the fall. I was fine with the team and we had found a good set up for the race, sure I can make a good performance. When I arrived to third turn I wanted to maintain the position and start taking my rhythm. Unfortunately, I exaggerated with the front brake and the front tire not in temperature has betrayed me. He could not end like this! Although I realized that the little finger was bleeding, I wanted to finish the race, especially for the team which worked tirelessly to put myself in a position to express myself best. To make the race even more difficult there was an oil leak from the engine damaged in the crash, but at the end I crossed the finish line and I think to the next race in France. "
